On drop off and pick up vehicles will be allowed to come down to the site (**SLOWLY & CAREFULLY**) and park on the left as you come through the tree's. We will also be looking for a Camp Chief for this camp...please consider and let me know. More info to follow.

There has been a whole lot of effort and planning put into all the events for pack and other area's of scouting. Everyone knows you always have more fun when there are more people involved. So I'm asking that you convince all your youth and leadership team's to come out to most if not everything and just have fun.
