

LASER QUEST COMPETITION

Sunday January 27, 2019, 9:00am-12:00pm

Yeah; its Laser Quest time. By popular demand we are having it again in January.

We are at a new venue this year, Laser Quest, 23 Consumers Dr. Whitby. It is awesome. Not only is everything new and working, there are games and activities to do between sessions. Everyone will be impressed.

The event will consist of three games:

- The first will be a solo game where each participant will be battling against all others.
- The second will be a team event where teams will battle against other teams.
- The third will be a task orientated event where in addition to battling others there will be a task that needs to be accomplished.

Please complete the Registration Form below and submit the form and fees no later than January 18th, 2019.

There will not be any on-site registration. Preference will be made to Whitby Area but this event is open to the whole council.

Registration is limited to 80 youth and will be taken on a first come, first served basis.

If you have any questions, please contact me.
