

PADI Discover Scuba® Diving Participant Statement

Read the following paragraphs carefully.

This statement, which includes a Medical Questionnaire, a Liability Release and Assumption of Risk Agreement (Statement of Risks and Liability), Non-Agency Disclosure and Acknowledgment and the Discover Scuba Diving Knowledge and Safety Review, informs you of some potential risks involved in scuba diving and of the conduct required of you during the PADI Discover Scuba Diving program. If you are a minor, your parent or guardian must read this Guide and sign on the back panel.

You will also need to learn important safety rules regarding breathing and equalization while scuba diving from the PADI Professional. Scuba diving and the use of scuba equipment without proper supervision or instruction can result in serious injury or death. You must be instructed in its use under the direct supervision of a qualified instructor.

PADI Medical Questionnaire

Scuba diving is an exciting and demanding activity. To scuba dive you must not be extremely overweight or out of condition. Diving can be strenuous under certain conditions. Your respiratory and circulatory systems must be in good health. All body air spaces must be normal and healthy. A person with heart trouble, a current cold or congestion, epilepsy, asthma, a severe medical problem, or who is under the influence of alcohol or drugs, should not dive.

If taking medication, consult your doctor before participating in this program. The purpose of the Medical Questionnaire is to find out if you should be examined by a physician before participating in recreational scuba diving. A positive response to a question does not necessarily disqualify you from diving. A positive response means that there is a

Pre-existing condition that may affect your safety while diving and you must seek the advice of a physician. Please answer the following questions on your past and present medical history with a YES or NO. If you are not sure, answer YES. If any of these items apply to you, we must request that you consult with a physician prior to participating in scuba diving. Your PADI Professional will supply you with a PADI Medical Statement and Guidelines for Recreational Scuba Diver's Physical Examination to take to a physician.

I understand and agree that PADI Members ("Members"), including _____ Dive Source _____ and/or any individual PADI Instructors and Divemasters associated with the program in which I am participating, are licensed to use various PADI Trademarks and to conduct PADI training, but are not agents, employees or franchisees of PADI Americas, Inc. or its parent, subsidiary and affiliated corporations ("PADI"). I further understand that Member business activities are independent, and are neither owned nor operated by PADI, and that while PADI establishes the standards for PADI diver training programs, it is not responsible for, nor does it have the right to control, the operation of the Members' business activities and the day-to-day conduct of PADI programs and supervision of divers by the Members or their associated staff. I further understand and agree on behalf of myself, my heirs and my estate that in the event of an injury or death during this activity, neither I nor my estate shall seek to hold PADI liable for the actions, inactions or negligence of _____ Dive Source _____ and/or the instructors and divemasters associated with the activity.

Liability Release and Assumption of Risk Agreement

I, _____, hereby affirm that I am aware that skin and scuba diving have inherent risks which may result in serious injury or death. I understand that diving with compressed air involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. I further understand that the open water diving trips which are necessary for training and for certification may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

I understand and agree that neither my instructor(s), _____ All Dive Source Professional Staff _____, the facility through which I receive my instruction, _____ Dive Source _____, nor Scouts Canada, nor PADI Americas, Inc., nor its affiliate and subsidiary corporations, nor any of their respective employees, officers, agents, contractors or assigns (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in this diving program or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in this course (and optional Adventure Dive), hereinafter referred to as "program," I hereby personally assume all risks of this program, whether foreseen or unforeseen, that may befall me while I am a participant in this program including, but not limited to, the academics, confined water and/or open water activities.

I further release, exempt and hold harmless said program and Released Parties from any claim or lawsuit by me, my family, estate, heirs or assigns, arising out of my enrollment and participation in this program including both claims arising during the program or after I receive my certification.

I also understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during this program, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.
