

## **WHITBY AREA TROOP SHOOT**

**April 13, 2019**

### **Camp Samac Shooting Range**

Each relay will show up, for the time assigned to them. They will proceed through the safety lessons and on to the range. Once on the range they will shoot a number of times. The first time, each person will fire ten shots at a standard target and three shots at the turkey target.

We are hoping to fit in a third time on the range for each shooter.

The top individual shooter from each relay will advance to the finals. The top three youth from each troop will receive a certificate suitable for framing.

In order to plan the schedule, we must have an accurate count of who is attending. Please divide the scouts into groups of 6. If you have a number, which will not divide by 6, then divide them into groups of 6 and the remainder into a smaller group. Scouts from another troop will be added to make up relays of 6.

Time slots will be determined by how many troops register. Preferred times will be slotted on a first come first basis. You will be notified of your time slot the week after the registration due date.

The cost of the event will be **\$10.00** per scout. This will include rifle & range fees, crest and awards.

Trooporee is being held at Samac, April 12-14. Make it a fun-filled weekend with camping, shooting and other activities. For more information visit the Whitby Area website or contact Dale Wick at: [dmwick@yahoo.com](mailto:dmwick@yahoo.com) or (416) 451-2697
